HAWKSMOOR & FRIENDS

FESTIVE COCKTAILS

It's been a long year, you've worked hard. It's time to treat yourself to a perfectly crafted seasonal cocktail made by one of our bartenders. This year, pick between a glacial Martini, inspired by a visit to the wild north of Arctic Finland or a chic re-working of a 1970's Christmas classic.

ARCTIC MARTINI

FINLANDIA VODKA, GLACIER MINT, NORDIC BITTERS

Our obsession with creating the world's coldest Martini recently took us to Kittilä, above the Arctic Circle in Finland. The result was this Martini with take-your-breath-away menthol and a hint of the local favourite, salted liquorice.

HAWKSMOOR SNOWBALL

EVAN WILLIAMS BOURBON, OLOROSO, HAWKSMOOR ADVOCAAT, LEMON SODA

A British Christmas classic, and perhaps the closest European cousin to Eggnog. The Hawksmoor version is somewhat more elevated than the original with a splash of sherry alongside Bourbon and a zingy lemon soda.
