“*The feeling of friendship
is like that of being comfortably
filled with roast beef; love, like being
enlivened with champagne.*”

Samuel Johnson, 1772

We’ve been thinking
about Sunday roast a lot recently...

As British as the Royal Family, Sunday Roast has been forging family bonds and fuelling friendships for centuries.

Ours has been named Best in Britain twice.

The star is all-natural, pasture-raised beef, served with ‘all the trimmings’: roast potatoes, Yorkshire pudding, buttered veg and bone marrow gravy.

It’s a comfort blanket of a meal that delivers much more than mere calories. Bruce Springsteen sang that, *“Everybody’s got a hungry heart”*. After a Hawksmoor Sunday roast, every heart, belly and soul is sure to be full to the brim.

*“Of all the things that Americans shed
for independence from Britain, why did
we leave the Sunday roast behind?”*
