We offer complete event management throughout the planning process and work closely with the bride and groom to ensure everything is perfect on the day.

“We want to thank all of the Hawksmoor team for making our wedding reception such an amazing evening. All the time and effort you put in to the organisation over the past few months really showed, everything went so smoothly and the way you managed the night, so that we could just enjoy ourselves, was fantastic and hugely appreciated.

We’ve been inundated with friends and family raving about the food and the staff – everyone had a brilliant time and has been unanimous in declaring it the best food they’ve ever had at a wedding with the most attentive (and fun!) staff.

We couldn’t agree more!”
