

HAWKSMOOR

“Flawless. The best steak you’ll find anywhere”

The Times

Hawksmoor was inspired by childhood memories of how good steak could taste. Founders Will Beckett and Huw Gott (friends since they were 11) opened the first Hawksmoor restaurant on London’s Commercial Street in 2006; more restaurants in London, Manchester, Edinburgh and New York followed.

Our menus revolve around using the best ingredients we can find and cooking them as simply as possible – whether it be beef from grass-fed native breed cattle, sustainable seafood from around the local coast, seasonal fruits and vegetables or great British cheeses, combined with great wines and interesting cocktails all served by people who love what they do.

MANCHESTER

Hawksmoor Manchester is located in a late Victorian courthouse on Deansgate, next door to Spinningfields. The interior is true to the building and features lots of reclaimed materials from the era, including parquet flooring from another courthouse, panelling from Birmingham's Sandwell College and glazed bricks from a public lavatory in Liverpool.

The menu in our restaurant features the very best dry-aged beef, sustainable seafood and seasonal farm produce from across the UK.

If you'd prefer more intimate dining, for small groups and celebrations we have a private dining room that seats 10-14 as well as a semi-private area to seat up to 30, or you can book out our bar area for a more flexible seated or standing gathering.

Manchester's private dining room is a beautiful glass-doored room adjacent to the main restaurant. The room can accommodate 10 – 14 guests and it creates the perfect atmosphere for birthday celebrations and friends and family gatherings.

Cocktail receptions are available on arrival, and there are three specially designed sharing menus to choose from which offer a chance to sample a range of Hawksmoor classic dishes. Our team can also suggest wine pairings that are tailored to your choice of menu.
