“Flawless. The best steak you’ll  
find anywhere.”

**THE TIMES**

Hawksmoor was inspired by childhood memories of how good steak could taste. Founders Will Beckett and Huw Gott (friends since they were 11) opened the first Hawksmoor restaurant on Commercial Street in 2006; more restaurants in London, Manchester, Edinburgh and New York followed.

Our menus revolve around using the best ingredients we can find and cooking them as simply as possible – whether it be beef from grass-fed native breed cattle, sustainable seafood from around the local coast, seasonal fruits and vegetables or great British cheeses, combined with great wines and interesting cocktails all served by people who love what they do.

# MANCHESTER

Hawksmoor Manchester is located in a late Victorian courthouse on Deansgate, next door to Spinningfields. The interior is true to the building and features lots of reclaimed materials from the era, including parquet flooring from another courthouse, panelling from Birmingham's Sandwell College and glazed bricks (well cleaned) from a public lavatory in Liverpool.

The menu in our restaurant features the very best dry-aged beef, sustainable seafood, and seasonal farm produce from across the UK. If you'd prefer more intimate dining for small groups and celebrations we have a private dining room that seats 10 - 14 as well as a semi-private area to seat up to 30, or you can book out our bar area for a more flexible seated or standing gathering.
