“Flawless. The best steak you’ll
find anywhere.”

THE TIMES

Hawksmoor was inspired by childhood memories of how good steak could taste. Founders Will Beckett and Huw Gott (friends since they were 11) opened the first Hawksmoor restaurant on Commercial Street in 2006; more restaurants in London, Manchester, Liverpool, Edinburgh, Dublin, Chicago and New York followed.

Our menus revolve around using the best ingredients we can find and cooking them as simply as possible – whether it be beef from grass-fed native breed cattle, sustainable seafood from around the local coast, seasonal fruits and vegetables or great British cheeses, combined with great wines and interesting cocktails all served by people who love what they do.

WOOD WHARF

Hawksmoor Wood Wharf is housed in an eco-friendly floating pavilion in a new riverside neighbourhood in Canary Wharf. Gently rising and falling with the tide, the main restaurant at dock level is joined by a 120-seat waterside bar.

Our downstairs bar seamlessly blends with our upstairs restaurant - meaning you can get the full Hawksmoor experience both in the restaurant and downstairs in the bar.

We now have even more availability for large groups or spaces for parties and events, where you can enjoy some of London's best group dining and event options.

It includes a heated terrace (no heating upstairs) with sweeping views across the water.

The menus revolve around the best British produce, including grass-fed, dry-aged, ethically reared beef, sustainable seafood from the South Coast, and some of the biggest seasonal hits from the Hawksmoor New York menu.
