In 1795 Reverend Samuel Henshall patented the first corkscrew, heralding a golden age of bottle opening ingenuity that included Archimedean Worms, the Narrow Rack King's Screw, William Bennitt's Partial Puller and the simple and easy to use Price's Two Pillar Screw.

We cannot guarantee the absence of traces of nuts or other allergens. Please advise a member of staff if you have any particular dietary requirements.

MONDAY WINE CLUB

On Mondays, we encourage you to bring your own bottle of wine and we'll cork it for only £5.

There's no tricky initiation test to join the club, just come armed with a bottle (or two or three...) and you're in.

For maximum value bring a Nebuchadnezzar of Champagne or a Balthazar of Burgundy – there will still only be a £5 corkage fee on each.

FINE WINE BY THE GLASS

When we started Hawksmoor over a decade ago we'd had enough of suited snobs whispering unintelligible tasting notes into our ears. We just wanted to offer great wine without all the pretension that can go with it. As time's gone on we've got to know lots of talented and passionate winemakers and have got our hands on some exceptional wines at exceptional prices. Here are some of our wine team's favourites, along side a few classics...
