EXCEPTIONAL EVENTS

For over 18 years Hawksmoor has worked with thousands of clients to create bespoke events for a wide range of occasions. We've hosted masterclasses, weddings, large-scale functions for Fortune 500 companies, film premieres and after-parties, and product launches for leading brands.

We've been a backdrop to box-office hits as a location hire (like Tom Cruise in Mission Impossible and Colin Farrell in The Penguin), and hosted business dinners and private occasions for A-list celebrities.

Host an event in one of our iconic venues in the confidence that the food, cocktails and service will be world-class and that your guests will enjoy the warmth and hospitality for which Hawksmoor is renowned.

'An experience that's relaxed but professional with an interior that has real glamour. And the food is just as glorious.'

Condé Naste Traveller

'Having worked with Hawksmoor on several events I'm continually impressed by their incredible and unique ability to deliver high quality food and cocktails at scale, while making sure every guest feels perfectly looked after.'
